SUMMARY

I am an enthusiastic Information Technology professional with over 2 years of experience in data analysis, web development, and freelancing on platforms like Upwork and Fiverr. I specialize in Python programming, article/SEO writing, and database management using MySQL. Notably, I successfully completed an attachment at Kenya Prisons Headquarters, where I contributed to streamlining IT processes.

EXPERIENCE

INDUSTRIAL TRAINING (IT)

Kenya Prisons Headquartes

May 2024 - Sep 2024

From April to September 2024, I completed my industrial training at the Kenya Prisons Headquarters. During that time, I gained valuable experience in networking, system management, and troubleshooting software and hardware issues. I also learned how to use Excel and Tableau for industrial applications.
